Women-Industry Network (WIN) Cohort 8 Mentee

“Attending these events enriched my knowledge and understanding on the current trends and helped boost my confidence. Through these activities, I was able to connect with like minded individuals and continue the journey of learning and friendship. I appreciate that such programmes can be sustained and can continue to empower successful woman career returnees to remain competitive in the ever challenging job market.”

Sheila Kanavala
Career Comeback Programme (CCP) Participant

“TalentCorp Women programmes initiatives helped me twice and after the second time I participated, I applied for a job and was hired. Their events helped me to learn from the panel of speakers, sharing their thoughts and the need of returnees to join Malaysia Madani in terms of economic growth. That made me motivated and eager to join the current company.”

Atikah
Women Career Convention (WCC) Participant

“I am incredibly grateful for the opportunity to partner with TalentCorp Women Programmes. Working alongside their team has been an enriching experience from start to finish. Their dedication to empowering women in the workforce is truly commendable. Through our collaboration, we've witnessed firsthand the positive impact their initiatives have had on women's career development and opportunities for advancement.”

For Industry Leaders and Experts

We collaborate with industry experts and leaders to drive innovation and progress. Join us in shaping the future of your industry and fostering diversity.

For Professionals & Entrepreneurs

We cater to the needs of professionals and entrepreneurs, offering resources and opportunities for personal and business growth. Discover a thriving ecosystem of support and collaboration.

For Senior Talents

Our programmes recognise the wealth of experience senior talents bring to the table. We facilitate opportunities for continued growth and engagement, ensuring your expertise remains valued.

For University Students

We empower university students with knowledge and skills to navigate their career journeys successfully. Our programmes offer guidance and mentorship for a smooth transition into the professional world.

For Community Leaders

Community leaders play a crucial role in driving change. Join us in our mission to empower communities and contribute to the greater good through collaboration and advocacy.

OUR KEY GOALS

TalentCorp's WANITA MyWIRA are meticulously crafted to achieve the following strategic objectives:

1. Empowering Human Capital Development

- Cultivating a culture of continuous learning to elevate the value of talents, boost performance, and increase productivity.

2. Fostering Strong Industry and Labour Force Engagement

- Raising awareness and fostering understanding of the vital role women play in the economy.
- Establishing professional networks for knowledge sharing and retaining high-skilled talents.
- Encouraging dynamic collaboration between industry and academia to bridge gaps and align expectations.

3. Advancing Diversity and Inclusivity in Economic Growth

- Advocating for comprehensive strategies, governance, and cultural shifts across all organisations and entities.
- Supporting the creation of inclusive and accessible workplaces for everyone.
- Promoting flexible work arrangements to enhance Diversity, Equity, and Inclusion (DEI) practices.

WHAT SETS US APART

→ Tailored Advocacy Topics by Industry Experts

- Our advocacy topics are carefully curated to address the specific needs of our partners and the evolving needs of the female workforce. Benefit from insights shared by industry experts.

→ Comprehensive Programme Facilitation for Impact

- We offer end-to-end facilitation of programmes, ensuring they are tailored to deliver precise and impactful results based on identified needs.

→ Capacity Development and Employability Enhancement

- Our initiatives are strategically aligned with the goal of increasing the nation's Female Labour Force Participation Rate (FLFPR). We empower women with the skills and capabilities they need to thrive in today's workforce.

Career Comeback Programme (CCP)

The Career Comeback Programme encourages women and senior talents to return to work by creating employability enhancement opportunities through workshops and encouraging companies to recruit and retain women on career breaks and senior talents who want to return to the workforce. *For enquiries, email: careercomeback@talentcorp.com.my*

- CCP Tax Exemption for individuals:** One-year tax exemption by the government for women returning to work from a career break.
- CCP Tax Deduction for employers:** An additional tax deduction of 50% for a 12-month employment period is granted to employers who hire women returning to work. *For enquiries and eligibility of CCP Tax Incentives, email: womentax@talentcorp.com.my*
