# FROM POTENTIAL TO PROFESSION

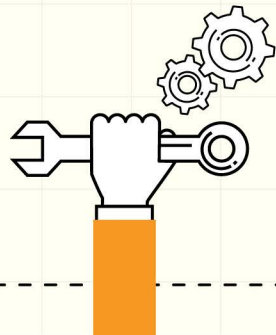

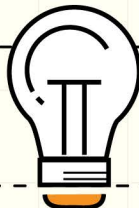

**MyMahir SkillsLab by TalentCorp** is a national industry solutioning initiative designed to help young Malaysians build the capabilities employers are actively looking for.

Built together with industry leaders through the MyMahir Future Skills Talent Council (FSTC), each solutioning pathway is aligned to real workforce needs across high-demand sectors.

This means you gain practical, job-ready exposure that is relevant, current and directly connected to employment opportunities.

Upon successful completion, participants move directly into career opportunities with hiring companies.

**More than learning, this is your pathway into the workforce.**
